# home shredder

For the first time in India!

An attractive looking colourful shredder.

Gone are the days of boring black, white and grey shredders.

For modern and savvy users the colourful DSB SC U-5 showcase their taste and flamboyance to home visitors

Step aside from the monotonous and take your security seriously

This home paper shredder is perfect to destroy personal papers rather than just throwing them away as it is

It does not take much space and can be pushed under the table when not required

This compact shredder cuts your paper in cross sections, ensuring good security after shredding.
